Vineyard:	The fruit for this year's Noble One was sourced from a long standing grower of De Bortoli Wines Botrytis and from our own Estate Vineyard. Both vineyards have an enduring history of producing Botrytis Semillon of excellent quality.		
Vinification:	The fruit is harvested, crushed and left overnight to release further flavour and sweetness. Following this, pressing the juice is clarified and then fermented in tank. The ferments are carefully monitored until the balance of alcohol, sweetness and acidity is achieved. The ferment is halted, while the wine is clarified, stabilized and then matured in French oak barriques. After 12 months in oak, each parcel is assessed and then blended. The 2020 Noble One was matured in 37% new oak.		
Bouquet:	A plush blend of stone fruits such as peach, nectarine and quince, with an intrinsic citrus peel tang.		
Palate:	honeyed fruits flavour. Integrated vanilla oak with a velvety lushness and balanced acid gives the wine its length and structure.
