Wonderfully sweet British rhubarb and juicy Scottish raspberries are perfectly balanced with our signature quinine, to allow the sweet flavours and aromas to shine through in our natural flavourings.

INGREDIENTS & PROVENANCE

We use Scottish raspberries which have a sweet but tart flavour, slightly sharper than other varieties often sourced from sunnier climates.

We blend this with extracts from the peel & juice of Sicilian lemons and fragrant oils from the Turkish Rose Damascena.

The Damascena variety was selected due to the distinct jammy and floral taste and aroma it delivers.
