

# PREMIUM SODA WATER

*with refreshing* CARBONATED SPRING WATER

By using soft spring water, bicarbonate of soda and a high level of carbonation, we have created a delicious soda water.

## INGREDIENTS & PROVENANCE

Our Premium Soda Water has a silky, smooth texture created by using the soft spring water and a high level of carbonation.

Our Soda Water has no aroma so it can effectively bring to life the flavours of the premium spirit it's being mixed with.
