Vineyard:	Jack Daniels Tennessee Whiskey comes from the United States oldest registered distillery and is charcoal mellowed through 10 feet of sugar maple charcoal. The Distillery, founded in 1866 by Mr. Jack Daniel in Lynchburg, Tennessee, is one of the most well-known producers of whiskey in the world.		
Vinification:	In Lynchburg, we discover a new Tennessee whiskey every day. That's because every day we sample our barrels and find one that is unique enough for our Single Barrel collection. Each is hand-selected for its own, singular take on our Tennessee Whiskey. Jack Daniels Single Barrel Select is selected from the highest reaches of the barrel house and bottled in the smallest of batches, just one barrel at a time, at 94 proof with robust, individualized character.		
Palate:	Single Barrel Select layers subtle notes of caramel and spice with bright fruit notes and sweet aromatics for a Tennessee Whiskey with one-of-a-kind flavor.
