

MELBOURNE GIN CO

Dry Gin 700ml

Category: SPIRIT
Style: GIN
Variety: GIN
Region: VICTORIA
Volume: 700ml

Vinification: Grape spirit is the base of MGC's gin and they use rainwater from Gembrook in the Yarra Ranges. The botanicals used are juniper berries, coriander seeds, macadamia, sandalwood, honey lemon myrtle, rosemary, grapefruit and organic navel orange peel, angelica root, orris root and cassia bark. Each of these botanicals is distilled separately and then blended to recipe; Andrew's winemaking background influencing this approach.

Technical Analysis:

Alcohol: 42.00% **Packaging:** 6 x 700ml
